

Josh opened in prayer.

Minutes: Josh will have the committee vote on minutes via email as there was no quorum tonight. May, June, July, August 2011.

Shirts: There will be one volleyball order for shirts, approximately 31 orders. Danielle Stubbs is heading that order.

Football: Two more games. Senior night is Oct. 7th, and it's against Mormon Trail at Saydel. Jon estimated \$306 profit on the last two football games. By Dec. 1st the enrollment for the next 2 years needs to be in to the boys' union. Will need to discuss at the October meeting.

Volleyball: October 11, 2011 is senior night. Oct. 1st is the volleyball tournament. Teams: Grandview, SE Warren, Paton-Chaton, and ACA. JV will run the concession, keeping it simple: pizza, popcorn, pop, water, and candy. \$662 profit so far, not including inventory.

Score table: Josh has contacted Wes Snook for HyVee and George Tracy for Blue Bunny about advertising for the score table. Josh will follow up on the scoreboards and ads.

New Insurance Update: ACA cannot use the 15-passenger van by State law of Iowa. (there cannot be more than 9 seats in the vehicle). ACA's insurance company now needs a copy of each driver's license and a copy of each driver's car insurance. The drivers' insurance coverage is primary in case of an accident.

Misc: Lifetouch photography for team pictures and yearbook. Jon suggested maybe one parent per sport set up the picture times and order forms. We need someone to take over the Ihigh web set and coordinate the ACA facebook page with athletic pictures, etc. Need to pray for new bleachers.

Basketball: High school bb is scheduled. Grandview Park Baptist is joining the conference next year. Jr. high bb is not all scheduled. Siouxland Christian is looking for bb games this year, but Jon has not confirmed anything yet.

Mrs. Appell addressed the athletic committee to discuss the philosophy of JV sports. Kelly has found it difficult to balance between playing to win and having players play as much equal time as possible. Josh suggested the committee work on the wording of the JV philosophy.

No date was set for the October meeting. Josh will email the date to committee members. Josh closed in prayer at 8:01pm, a new record!!!
