

WELCOME

Dear Prospective Parent/Guardian,

The excitement continues at ACA as we celebrate our twentieth school year in 2012-2013! We are privileged to provide an excellent Christ-centered education to families in Ankeny and surrounding areas. In 1993, the school began with 24 students in kindergarten through 6th grade. Today we educate nearly 350 students from preschool to 12th grade. We believe that you as parents/guardians are responsible before God to educate your children. It is a monumental task that works best when home, church, and school labor together with a common goal to “train a child in the way he should go, and when he is old he will not turn from it.” (Proverbs 22:6) ACA uses curriculum that is academically rigorous and relevant for learners and integrates a biblical worldview into all subject matter.

Our limited class size allows our caring Iowa certified teachers to give individual attention to each student. Teachers pray for their pupils and get to know them on a personal basis. Our teachers have been carefully chosen and are people who are passionate about the Lord and imparting His knowledge through Biblical truth. Ankeny Christian Academy educators are certified in their subject area by the state of Iowa Department of Education. They are committed individuals who teach with the lens of a biblical worldview. Our comprehensive program includes athletics, fine arts, music, and student government along with other extra-curricular activities to help create an excellent education.

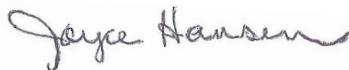

ACA and its students are having a very dynamic impact on people far beyond the Ankeny city limits. As the school continues, it will be exciting to see the affect our students will have on our state, country, and even our world. At ACA students learn how to become the responsible, trustworthy people God has intended them to be using their many abilities, talents, and gifts to further His kingdom. ACA continues to stand for high academic achievement, Christian character, love of country, biblical morality, and discipline with love.

Many parents/guardians invest a great deal to provide their child(ren) with a Christ-centered education. Ankeny Christian Academy administration desires for Christian education to be affordable. Therefore, the annual cost to educate each student is not met in full by our tuition. Our current tuition is at 88% of the total cost of education.

Those of us involved in this ministry are excited to have the opportunity to have you learn more about what God is doing at Ankeny Christian Academy. Please find the enclosed enrollment forms for your child(ren). These forms are also available on our website at www.ankenychristianacademy.org under the Prospective Families section. If you have questions or would like to schedule a tour, please call the school office at (515) 965-8114 or email at office@ankenychristianacademy.com.

Thank you for prayerfully considering ACA as your school of choice!

Serving the King,

Mrs. Joyce Hansen
Administrator
Ankeny Christian Academy
