

Inkjet Cartridges for Recycling

Ankeny Christian Academy is now collecting inkjet cartridges for recycling in the main lobby. You will find a collection bin on the west wall of the main lobby by the coat racks. We receive up to \$4.00 for each cartridge recycled.

Simply place your old cartridge in a plastic sandwich bag and deposit it in our collection bin. The acceptable cartridges are listed below. No large laser cartridges are accepted with this program and will not fit through the holes on our collection box.
