

## Ankeny Christian Academy Church Covenant Agreement

Ankeny Christian Academy (ACA) would like you to become part of our Church Covenant Ministry. ACA families present this proposal to their church. If the church agrees to become a covenant church with ACA then each family that is a member in good standing of that church would receive \$100.00 off each of their child's tuition each year with a maximum family discount of \$300.00 a year.

*Families that already receive a tuition discount through scholarships or pastor discounts are not eligible to receive the additional discount.*

The Church agrees to the following each year -

- 1) Agrees with the Ankeny Christian Academy Statement of Faith and agrees to pray for ACA
- 2) Help promote ACA by putting out brochures and event fliers where church members will see them.
- 3) Put a link on their web site for ACA (we will also put the church link on our ACA web site)
- 4) Would agree to speak at an ACA chapel once a year if called to do so.
- 5) Allow us to put up a display table once a year in their church lobby/entryway.
- 6) Allow our children to sing, play music, have a testimony, or perform with puppets, etc. during a church service at least once a year if asked.
- 7) The church will be asked to buy advertising for their church in the ACA yearbook, athletics, fine arts, etc.

In receiving the tuition discount for my child(ren) at ACA I agree to the following –

- I understand that I am responsible for getting this contract signed every year by my church pastor.
- I commit to ensuring that my child(ren) that attend Ankeny Christian Academy will also attend Sunday school, church or church youth group a minimum of once a week.

As an ACA parent I will invest my time in supporting ACA by performing duties such as – (Please Sign)
